Enterprise Performance Life Cycle (EPLC)

- **EPLC Framework V1.4**
  - Available from HHS as of October 6
  - Release at NIH to be coordinated with phase-in of Security-related changes
  - Updates
    - Changes to security terminology, a few deliverables, and some refinements to phase activities and Security Critical Partner responsibilities
    - Minor grammatical and editorial changes
- **Artifact Revisions**
  - Updates to existing Artifacts (e.g., Analysis of Alternatives) resulting from feedback and activities at both NIH and HHS
  - Introduction of job aids (e.g., for Agile development methodologies)

Operational Analysis Update

- Operational Analysis is a performance management method for measuring and monitoring the performance of an IT system in production and reporting the "Business Value of IT"

- OA performance data serves the needs of multiple management tiers, including Operations Managers and Technical staff, Business Owners, Governance bodies

- FY2011 OA activities
  - Interim OA Reports due November 18, 2011
  - Investment Health Assessments are underway & will finish December 9
  - Final OA Reports due January 6, 10212
  - Technical Reviews will begin in mid-January

- FY2012 OA activities
  - Revised NIH Operational Analysis Management Framework, version 2.0, was released in August
  - Metric Definitions due September 9, 2011

Note: Dates apply to centrally funded Enterprise Systems

Brown Bag Session

- ## Wednesday, October 26
  - Fernwood, 3E02; 11:30 a.m. to 12:30 p.m.
  - Informal Discussion on the EPLC Overview Training and IC adoption of EPLC :
    - Did the course offer you what you need to implement/ adopt EPLC in your organization? What did you take away from the class?
    - Are there any current areas of work on EPLC in your organization that you would like to share? Any unique project related, or organization related issues that you can share?

EPLC and IT PM Training

- Second EPLC course that addresses the later EPLC phases (Design through O&M and Disposition) is being developed; first offering for this class is tentatively planned for January, 2012.

- IT PM Classes
  - Rapid Assessment and Recovery for Troubled Projects – November 7-9:
- Enrollment Process for IT PM Classes
  - Priority candidates - Enterprise Systems PM nominated and IC CIO nominated candidates - are enrolled first
  - If there are any seats open after priority candidates are enrolled, general candidates will be accepted
  - These classes count towards FAC-P/PM certifications

FAC-P/PM Application - Information Session

- Thursday, October 20 , 1:30 p.m. to 3:30 p.m.
  - Application and Review processes; Q&A

FAC-P/PM Certifications

- Application Forms being modified, stay tuned..
  - Basic application: Contents of current forms are still applicable; additional IT competency requirements will be added
  - "Application through fulfillment" forms being revamped
