
Project Management Community Meeting

Project Management Center of Excellence
June 8, 2011

Agenda

- Welcome & Announcements
 - EPLC and Operational Analysis
 - Training - Overview of EPLC
 - IT PM Training
 - FAC-P/PM Application - Information Session
 - FAC-P/PM Certifications
 - Program Presentation
 - PMCoE Info and Links
-

Enterprise Performance Life Cycle (EPLC)

- EPLC Framework, Artifacts, and Policy Revisions
 - EPLC Framework Overview Document V1.4 to be released in June
 - Security-related updates
 - Other minor changes
 - HHS EPLC Change Control Board process for more substantive changes
 - Change requests for V2.0 of the Framework document are under review by 4 CCB subgroups
 - PMCoE Standards and Definitions Workgroup is reviewing the proposed changes to help inform NIH feedback to the subgroups
 - Proposed changes will be submitted to the CCB and then to the OPDIVs including NIH for formal response
-

Enterprise Performance Life Cycle (EPLC)

(cont'd)

- Other active areas of discussion that may result in changes to EPLC documents
 - Alternatives Analyses
 - Cloud Computing
 - Iterative Development
 - 25 Point IT Reform Initiatives
 - Operational Analysis
 - Operational Analysis is a performance management method for measuring and monitoring the performance of an IT system in production (or steady-state component of a mixed lifecycle investment)
 - Just completed first complete “run” of Operational Analysis for the centrally funded Enterprise Systems
 - Currently gathering Lessons Learned from all stakeholders and plan to release updated Operational Analysis Framework based on feedback and our ongoing continuous improvement efforts
-

Training – Overview of EPLC

- Upcoming class is full - Wednesday, June 22
 - Planning to offer next session in September
 - Course will be available on the CIT Training registration web site
 - Second course that addresses the later EPLC phases (Design through O&M and Disposition) will be developed over the next few months
-

IT PM Training

- 3 classes scheduled July – September
 - Requirements Management - July
 - IT PM & IT Risk Management – August 8 - 12
 - Software Testing for Better Project Management - September
 - Enrollment Process
 - Class registration information will be sent to priority candidates very soon
 - If there are any seats open after priority candidates are enrolled, general candidates will be accepted
 - These classes count towards FAC-P/PM certifications
-

FAC-P/PM Application - Information Session

- Monday, July 18, 9 a.m. to 12 noon
 - Class will be open for registration soon at the CIT Training web site
 - Application and Review processes; Q&A (2 hrs)
 - Created and conducted jointly by NIH ACM and NIH OCIO
-

FAC-P/PM Certifications

- NIH FAC-P/PM Levels I/II Certification Review Board
 - Collaborative effort between Office of Acquisition Management and Policy (OAMP) and OCIO for IT FAC-P/PM candidates
 - Pilot – Finished first round. Next round will be announced through Listserv in advance to allow time for application submission.

 - FAC-PPM-L listserv
 - *“Intended for FAC-P/PM certification candidates or certified P/PM to receive FAC-P/PM related announcements such as policy, training resources, application review schedule, etc. This list is co-maintained by OCIO and OAMP”*
 - Certification is for federal staff only
 - To join the list, send an email to listserv@list.nih.gov with a blank subject line and include the following in the body:
subscribe FAC-PPM-L <your name>
-
