Project and Portfolio Management Tools Update

- Last month, as part of a review of the Project and Portfolio Management Tools currently in use at NIH, OCIO asked for input from the PM community to help in understanding the current environment
 - This information will be used as part of an effort to determine if there are areas of possible collaborations and/or interest in an enterprise-wide tool for project and portfolio management.
-

Project Management Brown Bag Sessions

- Brown Bags will be offered quarterly on topics of interest to the NIH Project Management Community
 - This quarter's Brown Bag will be a discussion on EPLC tailoring and completion of related artifacts. Look for an announcement soon.
-

EPLC Training

- EPLC Overview Part II
 - Addresses the later EPLC phases (Design through Implementation)
 - Pilot on February 16, 2012
 - Registration will open in 7-10 days if seats are available
