EPLC Updates

- Updates to HHS EPLC Artifacts
  - An HHS workgroup is currently working on revisions to several EPLC Artifacts, including the Business Case, Analysis of Alternatives, Tailoring documents, and Stage Gate Review artifacts.
  - Within the next 2 months, the documents will be released to the OPDIVs for review. NIH would greatly benefit from your assistance in reviewing and commenting on these documents while they are in draft.
  - If you are interested in helping with these reviews, please contact Jane Small (jane.small@nih.gov).

- Announcements of ongoing activities are posted at https://sps.nihcio.nih.gov/sites/PMCoE/EPLC

IT PM Training

- Courses will be posted on the CIT Training website (http://training.cit.nih.gov) under the "Project Management" category once they are available for registration, about 2 - 3 weeks prior to first day of class.

- Priority is given to Enterprise System and IC identified FAC-P/PM candidates (nominated by ES Program Managers and CIOs).

- Please feel free to join the waitlist if classes are full when you check the site.

- Upcoming courses:
  - Rapid Assessment and Recovery for Troubled Projects (3 days) – October 2-4
  - How to Gather and Document User Requirements (4 days) – November 13-16
  - Quality for Project Managers (3 days) – December 4-6
